

ORANGE COUNTY GRANTMAKERS

In 2006, a small group of Orange County based funders came together to create a peer-based learning group of funders dedicated to philanthropy in Orange County. Formerly known as the Orange County Funders Roundtable, **ORANGE COUNTY GRANTMAKERS** today exists as a community of over 45 local funders, philanthropists, private and corporate foundations and community relations leaders committed to supporting the vibrant philanthropic sector in Orange County.

Together, we advance social impact by supporting, strengthening, and building adaptive leadership across our nonprofit and philanthropic community.

Join us, as we continue to lead the way through collaboration, convening, leadership and advocacy.
